This isometric line drawing illustrates a laboratory layout. The room is defined by a thick black line representing the walls. The layout includes the following components:

- Storage Cabinets:** A tall, narrow cabinet on the left wall and a larger, wider cabinet with two doors on the right wall.
- Workbenches:** Two rectangular workbenches with metal frames. One is positioned near the left cabinet, and the other is near the right cabinet.
- Shelving:** Two sets of three-tiered metal shelving units, one near the left cabinet and one near the right cabinet.
- Specialized Carts:** A large, multi-tiered cart with a central compartment and a smaller cart with a single compartment, both on wheels.
- Other Equipment:** A small, box-like device on a stand, a small table with a single leg, and a small, rectangular object on a stand.
- Entrance/Exit:** A doorway is indicated by a dashed line on the right wall, leading to a hallway.
