To: David Bethel <ddb@davidbethel.com>

Next project- please reach out to Jim with questions. Please review the quote which Jim stated was the key document.

Thank you David.

Subject: Series 4 - Lisbon - Hein C-12264 Due -

Need drawings for sign off

Item 1 is correct

Item 2 on the quote didn't allow for a fixed Velocity double-sided b.g.

Item 3 is the utility station (condiment station). We need 2 napkin dispensers installed vertically in the counter, the flatware cylinders as well as the 8 each SanJamar P4100BK's.

Item 4 is the pizza station with the Hatco sandwich slide that will be installed on the operator right. Length of unit should be 90" wide and the grommet hole for the sandwich slide to be shown.

Item 5 should be a 70" wide unit with the h/c drop-in a 3 well cold

Item 6 on the drawing should have the tray slide on the operator left and the quote has another cashier station with the tray slide on the operator right. Both need to show the cashier accessories as quoted also.

Quote is the key document – I think I have all changes.

Thanks

Jim Edson
