David,

Please complete a drawing package for the project quoted below.

Modifications:

1. Items #30A and #30 B combine to make an L-Shaped Cashier Station
2. Custom two-tier Traditional Breath guard, refer to the Great Escape Six Flags 6-Series Project you worked on which had a similar breath guard
3. STD Black Lam
4. Item # 32 has no breath guard on the left and has a two-tier breath guard on the right
5. See attached for architect CADs
