David:

From Left to right as you are facing cooking line:

VMC-H3H/5028173 (not under hood) to the left of it. Also please advise after cooking line is in if we could have a larger Vector oven-not sure

Under hood:

IR-6 on casters

IRSB-36 wall mount

IPC18 pasta cooker

BPM-15GC

2 each IFS-40

UT3015STE dump station

More to come. On this job send all to my work email. All work send back in CAD and PDF.
