In the files section, reference the PDF sketch that ends in 'SMO comments' as I noted the item # on the quote on the sketch.

The cashier station is one large unit with miter tray slides to connect to the 4 well cold.

Note the depth changed from 36" to 34" (this was made after Shawn sent in the sketch).
The Dry hot units are also slightly larger than his sketch. Please use the dimensions on the quote, not the sketch.
Item #8 is a stand alone unit going behind the serving line.

Laminate is Wilsonart Cloud Nebula 4830-60

Please let me know if you have any questions.
Thanks,
Sheila
