Roxanne and David,

We have a new project for which I need a quote and drawing. This is for Highland Country Club in Fayetteville, NC.

The Chef moved to Highland from Mobile, AL where he created a Vulcan cooking line up with help from you guys and Geoff Winn.

Below is the link to the original line up that was done in Mobile.

Chef wants to do a similar lineup, but with the following changes.

Chef has 20 feet under the hood and he would like the following pieces of equipment in this order

1. 3 fryers – Digital, filtration, with timers and autolift
2. Spacer for breading station
3. Grill 36" - standard char broiler
4. Spacer
5. Flat top 36" with Thermostat
6. Spacer
7. Salamander (may use existing)
8. 8 or 10 eye stove with high temp oven below (600"?)
 - a. with double over shelf

Please let me know if you need additional information in order to get a complete quote and drawing.

Thanks,

Paul Remoll - Territory Manager

Good Afternoon David,

The chef from Country Club of Mobile has relocated to a Club in Fayetteville, NC. I know it has been several years, but do you still have the drawings/renderings of his heavy duty cook line from the Country Club of Mobile?
