Subject: New 4-Series - Holton High School (Walsh) - Due=Best Available

Hello,
Sales has requested renderings and drawings for custom 4-series units for the Holton High School project.

I have attached the following:

1. My quote (see for specification details).
2. Previous drawing from units sold a few years ago

Other details for this project – On the previous drawings, only the second item will need updating as item #1 matches. I made comments on the previous drawing on what to update; it is just the equipment. Please make sure this is a new project on the drawing packet.

Requested deliverable = Rendering and Drawings

Please let me know if you have any questions.

Thank you,
Sheila

Sheila Oppeneer
