Good Afternoon David,

Hope you had a great Christmas!

Next Step is working on a project up in Boston, MA called Hood Park. Can you please work up drawings per the attached layout and quote?

NSD is closed all this week, but hoping to get these back the following week (week of 1/7/22.)

- Item 67 is standalone
- Items 96/97 have a common front rail and are both mounted on a ref base (item 98)
 - Salamander (item 99) mounted over the griddle
- Items 100/102 have a common front rail and are both mounted on a ref base (item 101)
- Item 106 has salamander (item 105) mounted on it.
- Gas connections on items 67, 96, 102, and 106

Please let me know if you have any questions.

Thank you,

Jake Ritchie
