I will just send over to David.

Hey David! Can you take a look at this one and put together a design for us? It's a simple lineup, with no overlapping or HD units.

Let us know if you have any questions!!

Thank you,

Oopsie doodle. I forgot to send this one over. Can you please make these changes:

Delete the griddle LEFT. Leave the charbroiler still positioned to the right and just leave an open space.

Thank you,
