**DMI** ALUMINUM **EXPOSED FASTENER** **CORRUGATED PANEL CP75**

Technical drawing showing dimensions:  $\frac{3}{4}"$ ,  $\frac{27}{16}"$ , and  $31 \frac{11}{16}"$ .

**DMI CP75** is a corrugated structural panel designed for roof or wall applications. The panel has a consistent  $\frac{3}{4}"$  symmetrically round pattern that can be used to add a classic look to a building's walls or roof. This lightweight panel can be used on a wide range of building designs. The DMI CP75 is available in 24 and 22 gauge steel as well as .032 and .040 aluminum. Custom perforation is available with aluminum substrates.

**Uses and Applications**  
This exposed fastener panel can be installed vertically or horizontally, dependent upon your design needs or the chosen application. When installed vertically, this panel can be wrapped around radius walls to add a clean look to your design. The DMI CP75 can be installed on exteriors or interiors.

**Advantages**

- Easy through fasten panel reduces installation time.
- The anti-siphon leg prevents capillary action with roof installations.
- Available in all 32 of DMI's color selections.
- Custom color coatings are also available to match any specific color scheme needed on the walls or roofs of your building.
- Continuous lengths make for easy installation (1'-35' panel lengths)

**PROVEN. DEPENDABLE. SUSTAINABLE.**

Hi!-another luck day for David.

Here is another project for you. It is a little more involved as it uses this corrugated panel décor. Please reach out to Jim or myself with questions. Good luck and Thank you!

Jill

Subject: NEW ORDER (SERIES 4) KIPP ELEMENTARY (NEILS) DUE 6-13

PRODUCT : 4-Series  
CONFIGURATION NAME : KIPP Primary School  
SERIAL NUMBER : C-14391

REQUESTED DELIVERABLE = Drawing Packet for Customer Sign off

[Review " Kipp Primary School" Quote](#)

We need CADS for sign off – I do not have the color for the corrugated décor we are adding to front face –

1. Vent as normal and have that cut out in corrugated which slips into a "U: channel
2. Need 6" casters and maintain height
3. Need correct layout and sizing Cashiers 42" D
4. Need salad bar added

Thanks

JIm
