Morning David,

I received some feedback from sales on this drawing packet and there are 2 small changes to be made.

1. Please move the grommet holes close to the breath guard on server #2

2. Please flip the order. From Customer left to right: Hot serving station (server #1), Serving station w/vertical breath guard (#2), Surround (#3), and Utility (#4).

Please let me know when you can make these changes.

Thank you,
Sheila
