Hello David!

Can you please put together a design for this suite when you get a chance? Its pretty straight forward but please let me know if you have any questions!

Thank you,

Roxanne Holt (she/her)

Who can I send this to and have the suites quoted? I need a pretty quick turnaround

Subject: RE: Lynwood HS Vulcan

Lyman,

I just spoke with Jeremy and we had a few comments, see attached.

We will be using cooking suites after all. See attached mark ups, our intention for the purple cabinet base is to get around a 36" section with cabinets for pot and pan storage, then a 36" section with stacked drawers for utensil storage.

The induction will likely be a Cooktek style countertop unit on top of a refrigerated base.

Thank you,

Tommy Wuyek, CFSP

Hi Lyman,

We have a new project that we would like to provide them as many rebates as possible for the cooking equipment, Can you please provide makes and models for the attached drawing?

Thank you,

Hi David,

Can you please make the below changes? I know we discussed not putting the ref bases under the induction – I just called and spoke with Troy and he said that he has made a ref base with induction once before when he was with AmFab (Dine plex or Standees – remember that one?? From 2013!!)

Thank you,

Good morning, can you take a look at his mark ups and revise?

Let me know if you run into any issues.

Hi Lyman,

See attached PDF mark ups. Basically, we want to see if we can get refrigerated drawers under the induction, switch from legs to 4" galvanized curbs, and adding doors to enclose the end shelves.

Thank you,
