They wanted a few more updates to make this perfect 😊 If you could put this one to the head of the line, they have a meeting tomorrow morning and would like to have this back please!!!

1. Change the combi on the griddle side to a V6B36B.
2. Add a Bain Marie to the end cabinet near the V6B36B
3. Finish the tubular overshef to the other end cabinet
4. Add a heated Expo area to the end cabinet next to the fryer

Any that should be it!

Thank you,
