David,

I checked – there does not appear to be any changes in the design from my original request.

Thank you,

Subject: Populus Hotel Denver - Jade Range Suite Alternate

Hi Roxanne/David,

I am checking on the status of the request below. I don't think I heard anything back after this email. We have a new request from Smith and Greene, I am attaching, with a link to the current drawings. Is Vulcan able to provide an alternate to the Jade Range Suite?

Thanks,
Michelle

Hello David,

Can you please create a design for this one. They are asking for pass-thru ovens, but were going to make it a single sided suite instead, with no pass thru ovens and a flue in the back.

Thank you,

[EXTERNAL]

Hi Chris,

I wasn't sure if I am to send this request to you, so if not, please let me know who I should be sending it to. I need to see if Vulcan can provide an alternate or VE alternate to the Jade Range Suite Item 177, and if you can, please send me a quote for Great Lakes. See request below. If you scroll down further, you will see a link to the specs and drawings. There are more details on sht 42. Let me know if there are questions.

Thanks,
Michelle
