Good afternoon David,

Please provide a drawing for Next Step Design in their format (plan view, isometric, elevation and utilities specs including total BTU per line up) for their project called Queens Plaza North located in Queens, New York. Attached is a PDF file with zoomed-in views on the quoted equipment, the DWG file for the project provided by Next Step Design, and a copy of our quote for the equipment spec. The drawing file is needed by COB 7/7/22 or sooner.

If you have any questions or need anything else, please let us know.

Thank you.

Barb Alger
