Good morning David,

We are working with Winchester on the project listed below. Can you please provide a drawing on the attached equipment. The equipment, going from left to right, is the upright broiler, 48" charbroiler, 36" griddle top range and then the two 6 burner ranges

Project:

Red Fox Inn

Please let me know if you have any questions or if you need any additional information from me.

Thank you,

Conor Squier
