Subject: New 4-Series - SKSD Sumpter Elementary (Craig) - Due=Best Available

Hello,
Sales has requested renderings and drawings for 4-series units for the SKSD Sumpter Elementary project. Project was awarded to the dealer but we do not have the PO in house yet.

I have attached the following:
1. Quote (see for specification details).

Customer hasn't selected the final laminate; for the drawing use Formica 851 Spectrum Blue.

For Item #45 (qty 2) – the customer needs grommet cut outs on the top counter and base for plugging in the milk cooler (~12" from the floor as stated on my quote).
Item #'s 48 & 49 have Velocity Breath Guard's with LED lights.

Requested deliverable = Rendering and Drawings

Please let me know if you have any questions.

Thank you,
Sheila
