Hi David, hope all is well! David, I need to request a drawing its only 72 inches long but a little complicated. I have attached a chicken scratch drawing and a copy of the quote. Line up left to right V6B36S with a reinforced riser and a 36IRB cap and cover left, next piece has 2 burners and a vcbb24 on top of a standard oven with a V36ST34 riser with no shelf cape and cover right all on casters. Let me know if you have any questions.

Kind Regards,

**Nils**
