David,
Here is Tri-Valley-
This is Sheila's project. Reach out to either of us with questions.
Jill

To: David Bethel <ddb@davidbethel.com>, Jill Hundley <jhundley@vollrathco.com>

Hi David,

Server #2 – Please make the breath guard the full length of the unit.

Once the customer looks at the drawings, they will decide which side the equipment will go on. Keep the equipment where you have it.

All breath guards are standard, not NSF so you have them correctly.

No grommets on any servers.

Electrical is correct on Server #3.

Only item to change is the breath guard on server #2.

Thank you!

Sheila
