Hi David – new project. This is due as soon as you can get it done!
I am including some notes/image for the unit with the induction wells:

Thank you and let me or Jim know if you have questions.

Need drawings to match the quote please – This is an order

From sales:
the sliding door isn't showing up on Induction Hot food counter on concept, any thoughts on how I get it included? I also see on the salad bar, it has open storage as well but isn't showing up when I've tried it.
