Hi David:

I hope that you are well.

Could I ask you to help me with drawings on another project called Twin Sales brewing ?

Vulcan line-up: left to right

fryer 1GR85M – 1 each
dual French top range V2FT36S – 1 each
Charbroiler VCBB18B – 1 each
Planch griddle V1P18B - 1 each

They'll have a Convo-therm half size convection on the right side model C4ET6.10GB with their stand CST10CBCA-4 but don't expect you to be able to put that in the picture since its not our equipment

Thank you

Larry D. Wong
