Good afternoon David,

We have a request to get a drawing for the review/approval process for an order to be placed by Trimark Gill. A copy of our quote with the lineup (Items S14, S15, and S16) and the applicable pages from the drawing file with the lineup outlined in red are attached. Please provide this drawing by COB 6/14/21 or sooner. If more time is needed or if you have any questions, let me know.

Thank you!
